To Whom It May Concern:

Subject: Questions Generated From Review of Request for Proposal (RFP) for Legal Services for the Animas-La Plata Operations, Maintenance, and Replacement Association

Dear Sir/Madam

Pursuant to the above referenced Request for Proposals for Legal Services you had the following questions:

I cannot locate the contract between the Bureau of Reclamation and the Association entered into on December 30, 2009 and referenced in Section IV of the background information in the RFP (page3). It does not appear to be on the San Juan Water Commission's website. Could you either provide more specific direction as to where it is located on a website or provide that document?

We apologize, the contract between the Bureau of Reclamation and the Association entered into on December 30, 2009 has been added to the San Juan Water Commission's website under the Animas-La Plata tab, ALP Support Documentation. It is called "Executed A-LP OM&R Contract-December 30, 2009, and is located at the very bottom of the list.

According to the attached document (not attached), the Animas-La Plata Operations, Maintenance, and Replacement Association, a Colorado Unincorporated Nonprofit Association, was dissolved in Colorado by document filed on August 3, 2010. Does this affect the RFP?

The answer is no. It does not affect the RFP.

In the RFP, Section VI, 2, under Cost there is an asterisk at the end of the first sentence but no explanation. Is there something missing?

No, please disregard the asterisk.

Regards,

Russell Howard
