

**NOTICE OF  
PUBLIC COMMENT PERIOD  
September 26, 2002 - October 28, 2002**

The San Juan Water Commission is soliciting public comments concerning the draft *Water Demand Assessment* for the Regional Water Planning program for the San Juan Hydrologic Unit.

The comment period opens September 26, 2002 and continues through October 28, 2002.

Copies of the draft *Water Demand Assessment* are available on the San Juan Water Commission web site at [www.sjwc.org](http://www.sjwc.org) or by contacting the San Juan Water Commission office at 800 Municipal Drive, Farmington, NM, 87401.

Mail your written comments regarding the *Water Demand Assessment* to the:  
San Juan Water Commission  
800 Municipal Drive  
Farmington, NM, 87401

All written comments should be as specific as possible, and must be received by close of business on October 28, 2002.

Please call the San Juan Water Commission office at (505) 599-1462 if you need further information.
